## CHARMS

We have implemented a new system for tracking student data, inventory, and finances. Using the CHARMS system, you can track your account balance, check to see if you have outstanding fees, and see when payments have been credited to your account.

To access the CHARMS system:

- 1 - Log-on to <http://www.charmsmusic.com>
- 2 - On the left side of the screen, you should see a box for “Student / Parent Login.”
- 3 - Enter “statesborohsband” (without the quotes).
- 4 – Click “Enter Parents Area.”
- 5 – You can now access general information – to see your own account, you need to enter your SASI# in the blank provided.

- 6 – You should now see your name at the top of the screen! You can access any of your information using the tools on your screen.

\*\* If you have trouble accessing CHARMS, click the “E-Mail Director” button on your menu.  
DO NOT CONTACT CHARMS TECHNICAL SUPPORT.
